

Convalescent Plasma Labels

In the short term, you will see labels as outlined below for products collected in your geographic area. However, as we expand the convalescent plasma program, you may see any or all of the labels as products are moved across the country.

Each convalescent plasma unit will have two labels:

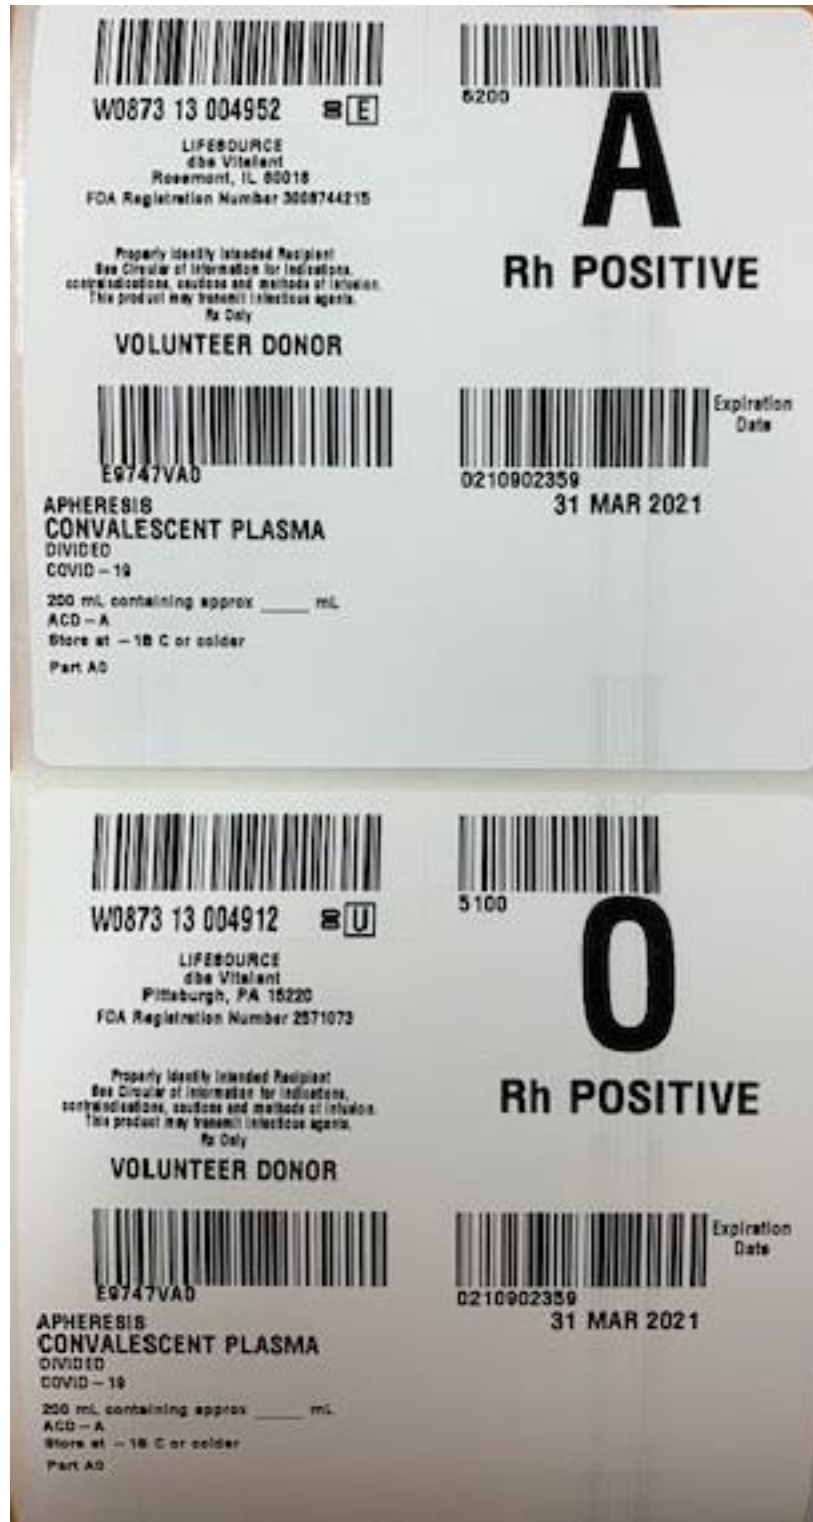

- 1) A tie tag as shown below:

- 2) One of the standard labels in the format you are accustomed to seeing:
 - a) From Vitalant centers on eProgesa (BECS system) – legacy Blood Centers of the Pacific, BloodSource, Bonfils Blood Center, Inland Northwest Blood Center, Lifeblood, LifeShare Community Blood Services, and United Blood Services.

b) Legacy Central Blood Bank and LifeSource:

c) Legacy Community Blood Services:
